

## GRADUATE BUSINESS SCHOOL

All postgraduate programmes are managed by the Graduate Business School, supported by other schools within the University. An oversight committee known as Postgraduate Committee leads the School. This Committee provides leadership and guidance on all aspects relating to the quality of both programmes and students.

## WHY UKKM?

Universiti Keusahawanan Koperasi Malaysia (UKKM) is a private university in Malaysia. The University was established on 28th March 2022 under the Private Higher Educational Institutions Act 1996 (Act 555). The University is the first Malaysian institution specializing in Cooperative Entrepreneurship and Management Studies. It strives to be a leader in transforming and producing more professionals in the cooperative sector.

## COURSE OVERVIEW

A Doctor of Philosophy Ph.D. (Entrepreneurship) is a doctoral degree program designed to provide advanced education and training in the field of entrepreneurship. This program typically combines rigorous academic study with practical research, allowing students to develop expertise in various aspects of entrepreneurship, innovation, and business creation.
